## Manitoba Master Angler Award Rules

- Registered fish must be caught in Manitoba in accordance with provincial angling regulations.
- Anglers must measure the length of a fish to qualify for a Manitoba Master Angler Award as illustrated.
- Two witnesses, or one witness and a picture are required. All pictures will become the property of Travel Manitoba.
- Any entry for a fish equal to or exceeding the designated picture length for the species must be accompanied by a photo of the fish with a measuring device or some object of standard size.
- Qualifying fish must be submitted on an official entry form or copy of (one fish per entry form). No changes in the length stated on the application form will be accepted.
- Travel Manitoba will be the sole and final judge as to the acceptance of the entries, and reserves the right to request additional information and requirements as may be deemed necessary in the best interest of the program.
- Although awards are issued continuously, entries may not be listed if they have not been received within one month of the date when the fish was caught.
- Only one bronze, silver, or gold badge and release crest will be awarded to any one angler, but certificates will be presented for all qualifying fish. Different specialist badges will be awarded for each species.
